### **Notice of Application to Change Listing to Main Markets of Tokyo Stock Exchange**

As indicated in the "Notice of Preparations to Apply to Change Listing to Main Markets of Tokyo Stock Exchange" released on May 8, 2014, WirelessGate has proceeded with preparations to apply to change its listing to the main markets. At the meeting of the Board of Directors held on November 6, 2014, WirelessGate resolved to file the application to change its listing to the main markets.

Note that there is uncertainty as to whether WirelessGate's application will be approved by the Tokyo Stock Exchange, and WirelessGate may not be allowed to change the listing market if for some reason it does not meet the requirements for change of listing to the main markets.

Moving forward, WirelessGate will promptly announce any developments that require disclosure with regard to this matter.
